

Writing and Research Project

Project Title	Writing and Research Project
Project Summary	Support the Transparency Division of ODNI's Civil Liberties, Privacy, and Transparency group with your writing and research skills.
Country	United States

Project Description

Interns will help ODNI's Transparency division develop projects and content to promote the transparency initiative. Tasks will include researching and writing stories about the transparency efforts, writing articles aimed at different audiences, such as internal, external and community outside advocates. Other tasks will include researching information related to transparency and ODNI's transparency efforts, and working on marketing materials such as fact sheets, data sheets, information graphics and brochures.
